

Rastri, who
 hard as a nut, and to persuade us to his father's house, but
 our anchor was ready of the hour, and the necessity of reaching
 in other ancient... induced us to decline the
 invitation. There were not any other visitors on the
 island, and... of some wild rocky glass, no
 thing to reward... for the fatigue of penetrating
 into the interior of the island. There are several small
 families... all more or less engaged in trade.
 That of... had itself much during the
 revolution... of the other families such as
 Lambasi. Some... fitting out armed vessels for
 the service... by maintaining the annual
 reputation of...
 We put... and had a pleasant sail to
 Kastro on... of the Monca, where we landed
 to inspect... which we found
 but let... materials of farmers
 their... allowed about the tongue
 of land...
 and...
 vestiges of... traces of our
 two temples... to the position of one
 of the gates of... nothing to attract
 notice at... disposed to examine all
 might at... rather Kastro
 has the reputation of being an unhealthy quarter, and
 my up the... distance, which
 had been... on board, and set
 trusting to the... But instead of the
 mason we had... against us, which
 put the... off the coast, which the
 performed... considerable, and
 the bay of... quarter, we again
 put in...
 We proceeded... taking the
 inner side of... during the break
 of the... established
 repeating, by obtaining...
 stones, which... and...
 reached the anchor...
